

**International Open Tender for “SERVICE of a Pan-European survey”  
Reference: WWGVC/EC/EUROPE/2020/IOT1**

**FAQ n.1**

**We couldn't find an information on the interview duration. Which length of the questionnaire do you expect? Or should we make an assumption on this?**

Estimate: 15 minutes

**How many open ends should we calculate? 2 till 3?**

None

**Age: in some countries it might be the case that adolescents under the age of 18 need the approval of the parents for the participation in the interview. Is it in these cases allowed to start the survey from the age of 18 or should we stick to 16 years in all countries without exceptions?**

In the countries where parents' approval is requested, the Commission will take into account any solutions prospected by Tenderers to address this issue.

**We were wondering if you could give an estimation of the number of questions to be included in the questionnaire (excluding socio-demo questions)?**

Please refer to the estimated length of the questionnaire (15 minutes).
